

ARUN V V

Junior Python Developer — Django & REST APIs

arunvv.vinodvk@gmail.com | +91-8138097063 | [LinkedIn](#) |

PROFESSIONAL SUMMARY

Junior Python Backend Developer with experience in Django and Django REST Framework building scalable REST APIs, implementing CRUD operations, and managing relational databases using MySQL. Strong foundation in backend architecture, ORM, and API-driven application development.

TECHNICAL SKILLS

- **Languages:** Python , SQL, JavaScript
- **Frameworks:** Django, Django REST Framework (DRF)
- **Frontend:** HTML , CSS, JavaScript
- **API Development:** RESTful API Design, JSON , API Integration
- **Databases:** MySQL
- **Tools & Version Control:** Git, GitHub, VS Code, Postman

PROJECTS

DIET-LENSE | *Python, Django, REST Framework, ORM*

- Developed a full-featured diet planning backend that enables users to create, manage, and track personalized nutrition plans
- Implemented RESTful endpoints using Django REST Framework for seamless frontend-backend communication.
- Integrated AI-powered diet recommendations using Google Gemini to generate customized meal plans based on user preferences and health goals
- Utilized ModelSerializers for efficient data validation and complex JSON transformations.
- Tested API using postman

Theatre Management API | *Python, Django, ORM*

- Developed a backend application to manage and organize theater information, including location data and facility details.
- Implemented a structured database schema to store theater metadata such as screen counts and geographic addresses.
- Designed REST APIs with efficient database queries
- Ensured optimized data handling using Django ORM
- Tested API using postman

EXPERIENCE

Python Django Intern

Jan 2025 – Present

Luminar Technolab, Thrissur

- Built REST APIs for sample modules using DRF
- Worked with serializers, views, and URL routing
- Implemented CRUD functionality using Django ORM
- Collaborating on version-controlled projects using Git.

EDUCATION

BSc Artificial Intelligence and Machine Learning

April 2025

Nehru Arts and Science college ,Bharatiar university, coimbatore

CERTIFICATIONS

- Python Django Fullstack Internship Program – Luminar Technolab (Ongoing)
